

Fresh Organic Fair Trade Coffee and Tea **A Fundraiser that serves two good causes**

In partnership with Equator Coffee Roasters Inc., St. Joseph's School Council is proud to present a new Fundraiser that makes fair trade organic coffee and tea available to the families and friends of our students.

What does "fair trade" mean? Farmers are paid a decent price for their coffee, tea, sugar and cocoa which reflects the true price of farm labour. Products come from democratically organized cooperatives of small producers who use environmentally friendly farm management practices.

Here's how it works. Simply fill in your selections on the attached form and return it to the school with your cash or cheque no later than Monday of the week you wish to receive an order. Please make cheques payable to St. Joseph School Council.

Roasting and packaging of orders takes place on Mondays and Tuesdays and you should receive your order within a few days. Coffee will be in the regular grind form. New order forms will be sent home periodically or as requested so that you never miss out on your morning brew!

If you have any questions, please call Anita Brown at 623-2487.
